

Dr. Sirisha Kuchimanchi

Creating pipeline for next gen semiconductor innovation

Client Benefits

- Industry ready talent-Students skilled up faster
- Strategic Partnerships
- Engineering solutions, automotive industry

Experience & Expertise

- 20 years in the Semiconductor Industry
- IEEE Senior Member & LinkedIn Top Leadership Voice
- Ph.D. Materials Science and Engineering, Carnegie Mellon

Creating pipeline for next gen semiconductor innovation

- Semiconductor Industry Engagement
- Smart Manufacturing: Enhancing Efficiency and Quality
- Driving Product Reliability & Robust Quality Management
- Customer Engagement and Relationship Management
- Curriculum Consulting & Manufacturing Courses
- Industry Academia collaborations & Grant proposals support
- Semiconductor Workforce Media Programming
